

# Hit your fundraising target with easyfundraising

Your departure date will be here before you know it, here are some handy tips for collecting big donations FAST!

## 1. Insurance and raise more

Most families need insurance, whether it's car, home or travel, and with insurers happy to pay up to £40 when you switch via easyfundraising, you could see your total soaring in no time. Your family and friends can also raise money by switching their utilities, taking out a mobile contract or broadband package.

## 2. Make your fundraising everyone's business

Companies make regular purchases of stationery, office equipment and corporate travel. Does someone in your family run their own business or could you ask a local business to support you by making their purchases through easyfundraising? It's a sure fire way to boost your total.

#### 4. Refer and raise

Friends and family are a great source of support with easyfundraising, but by referring them as supporters via your unique referral link, you will earn a bonus donation! Providing the supporter raises a donation within a month of signing up, you could get up to £4 as a bonus donation. The bonus rate will change throughout the year, so be sure to keep checking the referrals information page where you will also find your unique referral link to pass on.
